INTERNATIONAL AGROINDUSTRIAL EXHIBITION

AGROEXPO

The unique feature of "AGROEXPO" is the opportunity to see all types of agrarian equipment in the demonstration field of 60 000 square meters in close proximity to the main expositions of the participants.

The exhibition has specialized pavilions equipped for holding and displaying breeding animals with a total area of 2 000 m².

The moderate price policy of the "AGROEXPO" exhibition gives all participating companies the opportunity to show the maximum range of their products.

BUSINESS PROGRAM ON «AGROEXPO»

The wide business program is presented at the exhibition by scientific and practical conferences, panel discussions of the Ministry of Agrarian Policy and Food of Ukraine, the Chamber of Commerce and Industry of Ukraine, public associations and profile organizations, as well as seminars with the participation of leading specialists of agrarian and industrial branches.

AN EXHIBITION THAT IS DEVELOPING FAST

For five years, "AGROEXPO" turned into the largest one in Ukraine agrohubs.

The exhibition area has increased in four times - to 125 000 m².

The location and unique features of the exhibition complex contributed to a significant increase in the number of exhibitors-to 585.

The number of registered visitors in 2017 - 27 250.
