THE LARGEST EXHIBITION IN UKRAINE

The International Agricultural Exhibition AGROEXPO is the most important event that unites all specialists in the agrarian sector. The exhibition is the largest in Ukraine - 125 000 sq.m., which makes it possible to see and compare machinery and equipment of most domestic and foreign brands. In addition, the location of AGROEXPO in the geographical center of Ukraine makes it accessible for visitors from most regions of the country.
