125 000 m²

THE LARGEST EXHIBITION OF UKRAINE (INCLUDED IN THE TOP-10 LARGEST AGRICULTURAL EXHIBITIONS IN EUROPE)

The International Agricultural Exhibition "AGROEXPO" is the important event of the agricultural sector.

It is traditionally held in autumn on the territory of the largest exhibition complex in Ukraine - 360 000 m² (102 300 m² - outdoor areas, 22 700 m² - indoor areas, 140 000 m² - large comfortable parking for 7 000 parking spaces, 95 000 m² - field demonstrations areas), which allows to see and compare the technics and equipment of most domestic and foreign brands. In addition, the location of AGROEXPO in the geographical center of Ukraine makes it accessible for visitors from most regions of the country.

INTERNATIONAL AGRICULTURAL EXHIBITION

AGROEXPO

45 000 visitors

A unique feature of AGROEXPO is the opportunity to see in the work all types of agricultural technics at the demonstration field near the main participants expositions.

The livestock exhibition is located at the area 2 000 sq.m. in well-equipped specialized pavilions.

The AGROEXPO exhibition includes test drives, where everyone can try novelties, feel the adrenaline and evaluate the technical characteristics and advantages of the cars.

An acceptable price of AGROEXPO makes it possible for all exhibitors to demonstrate a complete range of its products.

BUSINESS PROGRAM AT AGROEXPO

Covered pavilion of AgroExpo exhibition equipped with 3 conference rooms (for 250 and two for 120 seats).

Extensive exhibition business program is represented at scientific conferences and panel discussions of the Ministry for Development of Economy, Trade and Agriculture of Ukraine, Ukrainian Chamber of Commerce and Industry, associations and public organizations, also at seminars with leading specialists of agrarian and industrial sectors.

EXHIBITION RAPIDLY DEVELOPING

Just for seven years, the exhibition has become the largest Agro-Hub in Ukraine.

The total exhibition area has increased almost four times to 125 000 sq.m.

Location and unique features of the exhibition increased the number of exhibitors to 585.

Number of registered visitors in 2019 was 45 163.
